

PUBLIC SERVICE PROVIDERS

Keep our new everyday heroes safe

Pharmacists, cashiers, truck and bus drivers, parcel services, riders, pizza delivery boys and girls. And more. Citizens who are putting their lives on the line to keep their communities moving, who ensure basic supplies of food and medicine during these times of acute crisis. They are the new everyday heroes.

A number of systemically relevant professions get out of darkness and expose themselves to the glory and risks of a newfound popularity. All of a sudden, these roles have to come to terms with many vulnerabilities. No one was prepared and we must help.
